

## **Call for Nominations NSSA KIESLING AWARD 2021**

The **Kiesling Award** is given annually to an individual for outstanding service and contribution to the storm shelter industry through effective initiative and leadership. Anyone with interest in the shelter industry can make nominations for the Kiesling Award. The nominees need not be members of NSSA but would be expected to attend the Storm Shelter Conference (See save the date attached).

### **Eligibility:**

The **Kiesling Award** is to recognize persons who have made very significant contributions to the storm shelter industry. Activities might include legislation, programs, media campaigns, standards, publications, conferences, workshops, webinars or symposiums to advance the storm shelter industry.

### **Nomination:**

Nominations should reach the Selection Committee by October 9, 2021. Decisions concerning the award winner will be made by about October 22<sup>nd</sup>, but the winner will not be announced until the presentation on November 16th in Dallas. \*\*Presentation has traditionally been a surprise to the recipient, be sure not to tell them they were nominated. \*\*

The nomination package should include:

- a completed, signed Nomination Form (attached)
- Additional statements, if desired, stating why this person is deserving of the award
- letters of recommendation welcomed, but not required

### **Selection Process:**

A standing Kiesling Award Committee is comprised of at least two previous recipients of the Award plus the Director of Operations of the NSSA or that person's designee.

Selection of the recipient will be made by the Awards Committee

### **Award Date:**

The **Kiesling Award** will be presented at the NSSA Fall Storm Shelter Conference in Dallas, Texas, on November 16, 2021. The winner of the award is expected to be present to accept the award.
